From “Our Pres”, Don Mende

Hello everybody, hope ya’ll had a great Christmas and have an even better New Year’s Eve celebration. Man I’m looking forward to 2006; I think It’s going to be a great one for our Country, the economy and our club. I don’t have any specific reason for feeling that way but I just do, lets all hope I’m right.

Our Christmas party was fantastic, that Camilliere can throw a shindig can’t he, what would we do without him. If ya’ll see him at some function, do some groveling so we can have some more great parties next year. Tom’s retiring from the corporate world this year so he should have even more time to plan some goodies for us in-between traveling around the world with new bride Debbie in his 57 Chevy Convertible. Hard life huh, feel sorry for the old boy, yeah right!

Charles & Pat Pearce started a last minute PCCC charitable function we named “The Children’s Wish Fund” in December. The fund was established to help unfortunate children have a merry Christmas in spite of the surroundings created by the adults in their lives. These little guys didn’t do anything to cause their bad luck and Charles & Pat took charge and made sure that seven unfortunate kids had a bunch of presents to open and play with for a long time. Our club donated the first \$500 to this project and Charles & Pat did the rest. Are they the best or what?

The first PCCC business meeting for 2006 is January 23rd, please put it on your schedule and let’s start the new year off right.

Ya’ll stay safe and hug your kids, see ya in January.

ONLY IN AMERICA:

Only in America.....do drugstores make the sick walk all the way to the back of the store to get their prescriptions while healthy people can buy cigarettes at the front.

Only in America.....do people order double cheeseburgers, large fries, and a diet coke.

Only in America.....do banks leave both doors open and then chain the pens to the counters.

Only in America.....do we leave cars worth thousands of dollars in the driveway and put our useless junk in the garage.

Only in America.....do we buy hot dogs in packages of ten and buns in packages of eight.

Only in America.....do we use the word 'politics' to describe the process so well: 'Poli' in Latin meaning 'many' and 'tics' meaning 'bloodsucking creatures'..

Only in America.....do they have drive-up ATM machines with Braille lettering.

EVER WONDER

Why the sun lightens our hair, but darkens our skin?

Why women can't put on mascara with their mouth closed?

Why is "abbreviated" such a long word?

Why is it that doctors call what they do "practice"?

Why is lemon juice made with artificial flavor, and dishwashing liquid made with real lemons?

Why is the man who invests all your money called a broker?

Why is the time of day with the slowest traffic called rush hour?

Why didn't Noah swat those two mosquitoes?

Why do they sterilize the needle for lethal injections?

Why don't sheep shrink when it rains?

Why are they called apartments when they are all stuck together?

If flying is so safe, why do they call the airport the terminal?

REMEMBER, GROWING OLDER IS MANDATORY. GROWING UP IS OPTIONAL.
