## From the President:

Hey All,

It's officially fall now, and the Cruise-Ins and car shows are beginning to wind down. It was good to see everyone at the Clayton Harvest Festival. We won best tri-five (Mike Prieskorn), best Corvette (Bob King) and for the most club members (11)! There are still a few big shows coming up - don't forget the Bobby Murray show on Oct 6.

We still need someone to step up to the plate to be the Car Show Director.

I would like to give a big thanks to all club members who responded with advice on how to fix Sarah's '57 a few weeks ago. It turned out that the axle bearing was shot and needed to be replaced. To a shade tree mechanic like myself, this advice is priceless and is a big part of why I joined the club. I would especially like to thank John Rice. He is one of the first to respond whenever I have a question (which seems to be quite often). He could say to "bring it by the shop and I'll see what I can do", but instead he offers his advice on how I can fix it. Saved me some money, but at the same time takes money out of his pocket, cause if I couldn't fix it myself I would take it to him! Not everybody would do that. So, her car is back on the road again and running fine. Also, thanks to Don Mende for hauling the car with his trailer from Chapel Hill to my house.

Also, thanks to those who attended the tech session to rebuild the front suspension on Mike Prieskorn's '55. We didn't finish it, but we did make good progress. If anyone has small projects that they would like to work on, let me know. Maybe we can schedule a tech session on a somewhat regular basis.

George

## BREAKING NEWS:

Billy Ubanks has agreed to give us a tour of his outstanding car collection. The date is October 14th!!!!!!!!!!!!!!!!!!!!!!

Dave Matthews and Don Cooper have worked hard to set this trip up and it should be a great time for all.

Mr. Ubanks has over 200 cars and his collection is said to be next to none in this area.

The plan is to LEAVE the Bojangles on Hwy 64 in Apex. It is about a 30 minute drive and the tour is expected to take about 3 hours.

John Earnhardt will be there and really likes '57s. It would be great if a bunch of the great rides from the club could make it to the event.
